

Future of Biogas Europe 2018

Ensuring the Future of Anaerobic
Digestion & Biogas Optimisation

7th- 8th November

London, UK

KEY TOPICS

- European Union Biogas & Biomethane Market:
Key Developments & Legislative Updates
- Certifications Schemes & Certificate Trading
- Injection into the Grid
- Creating Biobased Building Blocks from Biogas and Biomethane

- Biogas for the Transport Sector
- Financing & Funding Biogas & Biomethane Production
- Biogas Upgrading Technologies
- Technological Innovations
Advancing the Industry
- Potential in the Landfill & Wastewater treatment Sector

MORE INFORMATION OR REGISTRATION
please contact: Mado Lampropoulou

Future of Biogas Europe 2018

London, United Kingdom

7th—8th
November
2018

ACI's Future of Biogas Europe 2018 will bring together senior executives & experts from the full value chain to provide a forum for all parties active in the field of anaerobic degradation of organic matter & renewable energy production in the form of biogas. Biogas producers, technology providers, agricultural sector, food & beverage industry, waste management industry and leading service providers are all impacted by the development of Biogas utilisation. The two day summit will bring them together to discuss the latest challenges, developments & future insights.

Confirmed Topics for Discussion:

- European Union Biogas & Biomethane Market: Key Developments & Legislative Updates
- Certifications Schemes & Certificate Trading
- Injection into the Grid
- Biogas for the Transport Sector
- Creating Biobased Building Blocks from Biogas & Biomethane
- Financing & Funding Biogas & Biomethane Production
- Biogas Upgrading Technologies
- Technological Innovations Advancing the Industry
- Potential in the Landfill & Wastewater treatment Sector

Opportunities to meet your target audience:

A wide variety of commercial & sponsorship opportunities available - for more information please contact:

Hubert Sosnowski:

Tel: +48 61 646 9780 or Email: Hubert@acieu.net

Host city of London:

Why attend this event?

- Hear from high profile speakers sharing their knowledge and expertise
- Network with the industry leaders from the whole value chain
- Discover the latest technology innovations
- Participate in Q&A panel sessions

Who Should Attend:

Biogas production companies, Biogas technology suppliers, Energy & utility companies, Waste to energy project developers, Policy makers, Waste water treatment specialists, Biomass producers, Waste management specialists, Technology development & solution providers, National/local governments & Industry/manufacturing investing in biogas facilities, Green Energy Financial & Investment firms, Research & Academic Organisations, High Energy Using Industries, Consultants & Analysts.

Registration is simple:

If you would like to register for this event or wish to find out more information, you can contact **Mado Lampropoulou** by using any of the following methods:

Tel: +44 (0) 203 141 0607

Email: MLampropoulou@acieu.net

ACI Europe, 10 Gough Square, London, EC4A 3DE, UK

DAY 1

Wednesday 6th November 2017

08:00 REGISTRATION & COFFEE

09:00 CONFERENCE CHAIR OPENING REMARKS

09:15 **SESSION ONE**
European Union Biogas & Biomethane Market: Key Developments & Legislative Updates

- Working towards RED II targets: Latest updates
- Status of Biogas & Biomethane volumes produced, projections for 2025 - 2030 by country
- Working with policy makers to make biogas & biomethane regulation compliance more transparent
- RHI Implementation, Feed in Tariffs & Government Schemes – Moving beyond reliance on subsidies
- Projection of the biogas potential for 2020 & 2030 in the electricity, heating & transport sectors

10:45 **Panel Q&A**

11:05 MORNING REFRESHMENTS

11:35 **SESSION TWO**
Certifications Schemes & Certificate Trading

- Meeting sustainability criteria
- Cross border trading in a post Brexit world
- Emerging markets suitable for certification

12:35 **Panel Q&A**

12:50 **PANEL DISCUSSION**
Injection into the Grid

- Biomethane injection from the perspective of Distribution System Operators (DSOs): Current status & future plans
- Strategies to promote biomethane into the grid
- Feedback from recompression station from distribution to transport grid

13:15 NETWORKING LUNCH

14:15 **CONFERENCE SESSION THREE**
Biogas for the Transport Sector

- Role of biomethane in transport sector, advantages over electric vehicles
- What percentage of biogas gets upgraded?
- Biomethane volumes used in transport, current status & future projections
- CNG & BNG filling stations, current status and areas for growth

15:40 **Panel Q&A**

16:00 **AFTERNOON REFRESHMENTS & NETWORKING**

16:30 **CONFERENCE SESSION FOUR**
Creating Biobased Building Blocks from Biogas and Biomethane

- Working with the chemical industry to utilise biogas and create new revenue streams
- Converting biogas into high-value chemicals
- Mass Balance Approach

17:30 **Panel Q&A**

17:45 **CLOSE OF DAY ONE**

Call for Papers

If you are interested in giving a presentation, please contact:

Daniel Lavery

Tel: +44 (0) 203 141 0612

Email: dlavery@acieu.net

DAY 2

Thursday 7th November 2017

08:30 **REGISTRATION & COFFEE**

09:00 **CONFERENCE CHAIR OPENING REMARKS**

09:05 **SESSION FIVE**

Financing & Funding Biogas & Biomethane Production

- What investment criteria needs to be met to bring forward interest?
- Criteria financiers are looking for to invest
- Effective Member State policy support for biogas projects & investments

10:35 **Panel Q&A**

11:05 **MORNING REFRESHMENTS & NETWORKING**

11:35 **SESSION SIX**

Biogas Upgrading Technologies

- Technical advantages & disadvantages of different processes
- Case studies of different technologies in real applications
- Differences in terms of opex & capex

13:05 **Panel Q&A**

13:25 **NETWORKING LUNCH**

14:25 **SESSION SEVEN**

Technological Innovations Advancing the Industry

- Bridging the gap between academic innovation & commercial application
- Process optimisation – Effective feedstock pretreatment techniques improving efficiency, cost & application

15:25 **Panel Q&A**

15:45 **SESSION EIGHT**

Potential in the Landfill & Wastewater Treatment Sector

- Developments with sewage sludge & wastewater treatment plants
- Optimising the extraction of landfill gas

17:05 **Panel Q&A**

17:25 **CONFERENCE CHAIR CLOSING REMARKS**

17:35 **END OF CONFERENCE & AFTERNOON REFRESHMENTS**

Future of Biogas Europe 2018

London, United Kingdom

7th—8th
November
2018

Registration Is Simple

If you would like to register for this event or wish to find out more information, you can contact **Mado Lampropoulou** using any of the following methods:

 + 44 (0) 203 141 0607

 MLampropoulou@acieu.net

 <http://www.acieu.net>

 **Postal Address:**
ACI Europe, 10 Gough Square, London, EC4A 3DE, UK

Registration Is Simple

Conference (Includes Access to All Documentation)
7th & 8th November 2018

£1,595.00
(ex..VAT)

Documentation Packet Only

£470.00

Please Note.

Members and customers of all supporting organisations are entitled to a discount off their conference package.

For more information please call +44 (0) 20 3141 0607.

Documentation Packet Available

We are selling the Future of Biogas Europe 2018 papers at just £445 (+£25 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting.

This important manual will be a source of invaluable reference for the future.

About ACI

ACI, a UK owned company, has been running successful conferences in the USA since 1999. Headquartered in Chicago with offices all around the States, ACI opened its European head office at the end of 2005 and has expanded rapidly, launching a series of events in key industries including maritime, energy, oil & gas, cosmetics, chemicals & media.

Terms & Conditions

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call **Mado Lampropoulou** on +44 (0)20 3141 0607 for more information.

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

Accommodation

The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.
