ADDILENE Compound PMD 50321 NOIR 135

- Near Infra Red (NIR) detectable
- Carbon black free
- 100% recyclable
- Food contact Europe 10/2011 & FDA compliant
- COTREP certified (AT20-09, AT20-10, AT20-11, AT20-12 et AT21-03)
- Glossy aspect
- For injection molding, thermoforming, extrusion
- For flexible & rigid packaging
- For food & cosmetics markets
- REC-NIR Detectable Black masterbatch
